The Commission is today publishing **additional [guidance documents](#)** and a **stronger [international cooperation framework](#)** to support global stakeholders, Member States and third countries in their preparations for the implementation of the EU Deforestation Regulation. Given feedback received from international partners about their state of preparations, the Commission also **proposes to give concerned parties additional time to prepare**. If approved by the European Parliament and the Council, it would **make the law applicable on 30 December 2025 for large companies and 30 June 2026 for micro- and small enterprises**. Since all the implementation tools are technically ready, the extra
